

CHECKLIST

IS YOUR BUSINESS READY FOR AUTOMATION IN SKI SERVICE?

Answer the following questions with “Yes” and check whether an automated solution such as the SF-4 Race or Slope Master Race is suitable for you:

- Do you service more than 10 pairs of skis per day?
- Do you reach your limits in terms of personnel or time during the high season?
- Do you struggle with quality fluctuations or complaints?
- Would you like to train new employees more quickly and easily?
- Is consistent service quality crucial for your customers?
- Are you planning to expand your range of services or your workshop in the next 1–2 years?

Result:

Did you answer “yes” to 3 or more questions? Then now is the right time to think about automation – we would be happy to advise you personally.
